this Court on November 21, 2019 [Docket No. 525] (the “**Retention Order**”). The Retention Order authorized Dechert to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

2. All services for which compensation is requested by Dechert were performed for or on behalf of the Debtors.

SUMMARY OF SERVICES RENDERED

3. Attached hereto as **Exhibit A** is a detailed statement of fees incurred during the Fee Period showing the amount of \$891,842.45,² of which \$713,473.96 is requested for fees in this Application. **Exhibit B** is a detailed statement of expenses paid during the Fee Period showing the amount of \$3,539.36 for reimbursement of expenses.

4. The services rendered by Dechert during the Fee Period are grouped into the categories set forth in **Exhibit A**. The attorneys and paralegals who rendered services relating to each category are identified, along with the number of hours for each individual and the total compensation sought for each category, in the attachments hereto.

DISBURSEMENTS

5. Dechert has incurred out-of-pocket disbursements during the Fee Period in the amount of \$3,539.36. This disbursement sum is broken down into categories of charges, including, among other things, document hosting and management, temporary employee expenses, expert consulting charges, telephone and telecopier toll and other charges, mail and express mail charges, special or hand delivery charges, document processing, photocopying

² This amount reflects a reduction in fees in the amount of \$190,422.55 on account of voluntary discounts for aggregate fees as described in the *Application of Debtors for Authority to Retain and Employ Dechert LLP as Special Counsel to the Debtors Nunc Pro Tunc to the Petition Date* [Docket No. 424] (the “**Retention Application**”) and *Dechert LLP’s First Notice of Increase in Hourly Rates for Patent Services* [Docket No. 965] (the “**Notice of Increased Patent Fees**”).

charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by Dechert to outside copying services for use in mass mailings, travel expenses, expenses for “working meals,” computerized research, and transcription costs.

6. A complete review of the expenses incurred for the Fee Period may be found in the attachments hereto as **Exhibit B**. To the extent such itemization is insufficient to satisfy the requirements of Rule 2016-1(a) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the Southern District of New York (the “**Local Rules**”), Dechert respectfully requests that the Court waive strict compliance with such rule.

7. Costs incurred for computer assisted research are not included in Dechert’s normal hourly billing rates and, therefore, are itemized and included in Dechert’s disbursements. Pursuant to Local Rule 2016-1, Dechert represents that its rate for duplication is \$.10 per page, there is no charge for incoming or outgoing telecopier transmissions, and there is no surcharge for computerized research.

VALUATION OF SERVICES

8. Attorneys and paraprofessionals of Dechert have expended a total of 1,330.60 hours in connection with the Debtors’ chapter 11 cases during the Fee Period.

9. The amount of time spent by each of these persons providing services to the Debtors for the Fee Period is fully set forth in detail in **Exhibit A**. These are Dechert’s discounted hourly rates for compensation in this case, as reflected in the Retention Application. The Discounted value of the services rendered by Dechert for the Fee Period as counsel for the Debtors in these cases under chapter 11 is \$891,842.45, of which \$713,473.96 is requested for fees in this Application.

10. Dechert believes that the time entries included in **Exhibit A** attached hereto and the expense breakdown set forth in **Exhibit B** attached hereto are in compliance with the requirements of Local Rule 2016-1.

11. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of this case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

12. This Application covers the period of May 1, 2020 through and including May 31, 2020 with respect to the Debtors. Dechert has and will continue to perform additional necessary services for the Debtors subsequent to May 31, 2020, for which Dechert will file subsequent fee applications.

[Remainder of page left intentionally blank]

CONCLUSION

WHEREFORE, Dechert respectfully requests that (a) allowance be made to it in the sum of \$713,473.96 as compensation for necessary professional services rendered to the Debtors for the Fee Period, and the sum of \$3,539.36 for reimbursement of actual necessary costs and expenses incurred during the Fee Period, (b) such other further relief as this Court may deem just and proper.
